ADVANCED PMU

Client Consultation Checklist

Lessons 24–28 · Protect the client and your future reputation

Student: _____ Date: _____ Client initials: _____

A. Intake completed

■ Medical / health history reviewed

■ Medications / supplements discussed as relevant to healing and bleeding

■ Previous PMU / tattoo / laser / facial procedures documented

■ Lifestyle factors noted (sun, actives, swimming, healing realities)

■ Desired result discussed with reference photos

■ Healing timeline + touch-up role explained

■ Consent / local required forms completed

■ Photo release discussed separately (if using images)

B. Skin & prior work snapshot

Skin notes: _____

Prior PMU: ■ None ■ Soft refresh candidate ■ Correction pathway ■ Removal/referral first

C. Expectation checkpoints (client verbalized understanding)

■ Fresh color will look darker / sharper than healed

■ Healed result is the real standard

■ Perfect identical twins are not realistic

■ Covering old work is not always possible or wise

■ Maintenance may be needed over time

D. Artist decision

■ Book / proceed today ■ Modify plan ■ Postpone ■ Decline / refer

Reason: _____

Pigment / technique plan summary: _____

A great procedure starts with a great decision — including the decision not to proceed.
